DIY

Motivated by the Detox Regimen

Combine the invigorating and energizing power of apricot, ginger, and orange to create a skin-smoothing body oil. The essential oils motivate you to persevere and provide for a good mood. During the energizing massage, it's great to play your favorite music and let the rhythm guide you as you vigorously massage abs, legs and buttocks.

Skin-Smoothing Detox Oil

Ingredients

- 100 ml Organic Apricot Kernel Oil
- 10 drops of Organic Ginger
- 10 drops of Organic Orange

Preparation

Add the drops of essential oils into the apricot kernel oil and shake well.

Usage

Massage into moist skin 1 to 2 times daily.

Interesting facts

Our Ginger Essential Oil is pressed from fresh ginger root, making the scent as tangy and invigorating as the fresh cut ginger bulb itself.
